*The Kemptville District Hospital Foundation trailer is currently under renovation; during the renovation period, you can find Foundation staff in the KDH Health Centre in the office space previously occupied by Pro Physio. They also remain available via telephone and e-mail.*

## Foundation Board News

▲ Chris Lang

At the Annual General Meeting of the KDH Foundation Board of Directors on September 29, 2022, the Board Chair, Margret Norenberg, thanked current Board members Mike Gaynor (Vice Chair), Michael Wallace, and Patrick Poirier. All agreed to serve another term. She also welcomed two new elected members, Chris Lang and Deborah Girard. "Mr. Lang and Ms. Girard will be great additions to the Foundation Board, as the Foundation plans to launch a major campaign in 2023 to raise funds to purchase a CT scan for KDH."

Chris, who was raised in Oxford Mills, returned from the GTA in 1998 with his wife and two children to Osgoode, where he became a partner and operator in a physiotherapy clinic for 22 years. He continues to see physical therapy clients and is also a co-owner of Sport Clips, Kemptville.

▲ Deborah Girard

Deborah is President and Co-Owner (with her husband, Tim) of Good Night Bed Company. She is passionate about her community and is delighted to be joining the Foundation Board.

## SMILE! Donation to Children's Mental Health Programs in North Grenville

The annual Tim Horton's Smile Cookie Campaign, held in September 2022, was a great success again this year, with a total of \$12,163 raised at the two Kemptville Tim Horton's locations. Again this year, the funds were donated to the KDH Foundation to support Children's Mental Health Programs in North Grenville.

## Donation to the CT Scan fund in Memory of Dustin Littau

Judy Littau, representing the Littau and Virgin families, recently presented the Foundation with \$8,600 raised at the June golf tournament held in her son Dustin Littau's memory. This annual event is bringing awareness to the lifesaving act of donating blood and the importance of stem cell registry. As requested by the families, the funds will be designated for the acquisition of a CT scan at KDH.
